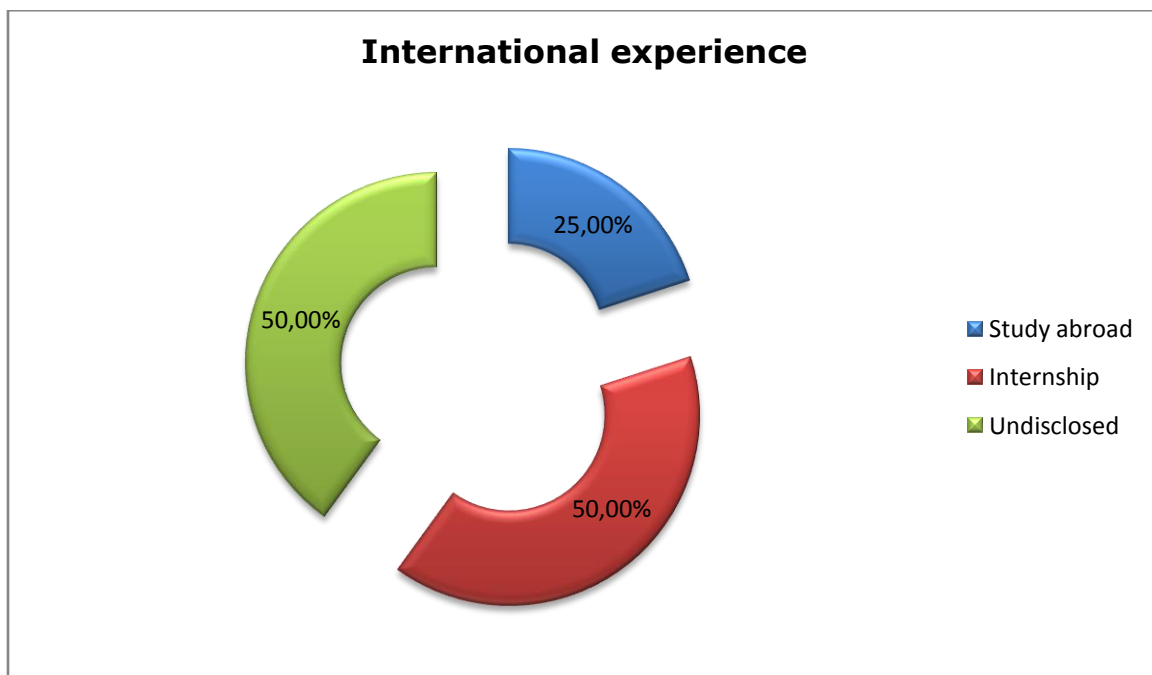

chart 2

Most of the candidates did not answer these questions. 4 students fulfilled an international internship, 2 went to a foreign university for a term abroad. Multiple answers were permitted. Due to the fact that the students of International Management have to do studies abroad as well as internship in an international context it is to presume that the quota is higher than detectable.

Acknowledgement

I would like to express my sincere appreciation to all those who have contributed, directly or indirectly, to this questionnaire:

Mrs. Martina Heim for the impulse.

Mr. Klaus Spagert for the technical support, especially for the online-questionnaire.

Miss Julia Schlederer for the accomplishment of the serial letter and the consignment.

Special thanks to Laura Selmer and Katharina Hadamik, the student assistances, who helped especially with the analysis of the answers and the creation of this questionnaire.
