

LANGUAGES & ELECTIVES EXPLAINED

Moving confidently and appropriately in a linguistically active manner in daily study and professional environments is a necessary cross-occupational key skill which is indispensable both for future working life and for preparation for a study or internship abroad.

The Language and Electives Centre meets the challenges of today's globalised world with the following services:

- Language courses and electives (both upon request)
- Intensive language courses during semester breaks
 - German courses: February/ March 2021
 - Other languages: March 2021
- Guidance and mentoring for the Tandem Programme. This is a language programme where two or more students teach each other their native language. For more information and registration please contact tandem-ecri@th-deg.de.
- Every year language trips are organised by the Language and Electives Centre. The latest destinations were Barcelona (Spain), Wrexham (Wales) and Cork (Ireland).

Please note that in all language courses students are required to attend at least 75% of all lectures in order to enter the exam. According to this 75% rule, for subjects worth 2 ECTS, a student can be absent only three times* during the semester and for subjects worth 4 ECTS, a student can be absent only six times*.

* One time = 2 Teaching Units = 2x45 minutes

See: https://th-deg.de/Studierende/AWP-Sprachkurse/rapo_fremdsprachen_awp_en.pdf section 4 (3)

It is not necessary to excuse for absences that have occurred. However, do make sure to keep medical certificates and other testimonies which justify your absences until the end of the semester.
