

## LANGUAGES & ELECTIVES EXPLAINED

The Language and Electives Centre offers various language courses as well as certificates at different levels. This way, students can maintain, expand and improve on their foreign language skills, and move their academic studies towards an international direction. Moreover, the additional electives offered impart social and methodological skills and orientational knowledge that is highly sought-after in the world of work.

In fact, the **Language and Electives Centre** meets the challenges of today's globalised world with the following **services**:

- Language courses and electives
- Intensive language courses during semester breaks:
  - German courses (4 ECTS/ 4 SWS - two weeks)
  - Other languages (2 ECTS/ 2 SWS - one week)
- Language exams and certificates (TestDaF; telc; TOEIC; DAAD language certificates; university-specific foreign language certificates)
- Guidance and mentoring for the Tandem Programme at DIT, where two or more students teach one another their native language.  
For more information and registration please contact [✉ tandem@th-deg.de](mailto:tandem@th-deg.de).
- Language trips organised by the Language and Electives Centre. Most recent destinations: Barcelona (Spain), Wrexham (Wales) and Cork (Ireland).

Please note that in all language courses students are required to attend at least 75% of all lectures in order to enter the exam. According to this 75% rule, for subjects worth 2 ECTS, a student may be absent only three times\* during the semester and for subjects worth 4 ECTS, a student may be absent only six times\*.

\*One time = 2 Teaching Units = 2 x 45 minutes

See Section 4 in this PDF:

It is not necessary to excuse absences that have occurred. However, do make sure to keep medical certificates and other testimonies which justify your absences until the end of the semester.
