

NOTICE

Subject: **Exam period, exam registration, registration check, withdrawal from exam, publishing of grades and exam review in the winter semester 2020/2021**

The **exam period** in the winter semester 2020/21 is as follows:

Tuesday, 26.01.2021 – Friday, 12.02.2021
for regular exams and
Saturday, 28.11.2021 – Monday, 18.01.2021
for repeat exams

AWP subjects will be conducted in the period between
Tuesday, 19.01.2021 – Monday, 25.01.2021,

while coursework-related proof of performance (e.g., prerequisites for admission to exams) can take place before this period. Examination Committees may set different dates in consultation with the deans.

Exam registration must be done in the period between

Friday, 06.11.2020 – Friday, 20.11.2020

via the Intranet of the Deggendorf Institute of Technology. Students who are completing their internship semester or semester abroad can also register for the exam in writing during this period. The study centre will notify you via email about the deadline for checking the exam registration.

You can **withdraw from an exam** for which you have registered at all times without the need to specify a reason. If you want to **de-register** for an exam, you are **urgently requested** to do so online in the PRIMUSS portal or by writing to the study centre no later than seven days before the exam. This also applies to course-work-related proof of performance (e.g. AWP subjects) that takes place before the exam period and for which registration is required.

Note: If you **de-register** for an exam after it starts, a medical certificate must be presented. The certificate must state that the reasons for de-registration were not known **before the exam began**. The Examination Committee decides about whether these reasons can be recognised or not.

Grades are published from Thursday, 25.02.2021 on the university's Internet and/or Intranet pages.

Exam review is possible from **Monday, 22.03.21 to Friday, 09.04.2021** in consultation with the examiner during the respective consultation hours.

Students, who are exmatriculated for finally failing exams, may apply to the examiner for an early exam review for this (these) exam(s).

Chairperson of the Examination Board

A handwritten signature in blue ink, appearing to be 'S. Götze', written in a cursive style.

Prof. Dr.-Ing. Götze
