ONLINE LICENSE AND SERVICE AGREEMENT

This Agreement is between Annual Reviews ("AR") a nonprofit 501 [c]3 publishing organization headquartered in Palo Alto, CA, USA., and Johann Wolfgang Goethe- Universität, Universitätsbibliothek Johann Christian Senckenberg, Frankfurt a.M., Germany ("Subscriber") to cover the license of online editions of AR Electronic Back Volume Collection as described in Appendix A: Products and Services.

1. Subscriber Rights

This agreement grants use of the AR Electronic Back Volume Collection for educational, research, and personal use by the faculty, staff, students, alumni and library patrons of institutions described in Appendix A: Products and Services. Remote users may access AR Online if their Internet access is through the campus or library network and the Subscriber has a process to validate Authorized Users.

The Subscriber's Authorized Users may download and print articles for personal use and archive contents on their own personal computers. They may send one copy by email, print, or fax to one person at another location for that individual's personal use. Facsimile images that are exact representations of the print pages or of printouts from the electronic database may be provided for interlibrary loan under applicable interlibrary loan procedures and distributed in paper, fax, or digital form. Libraries may include copies of AR digital content in local electronic course reserve systems limited to use of Authorized Users of current classes.

2. Limits of License

Neither Subscriber nor its Authorized Users may use any AR works or parts of works in the provision of any product, publication, or other service offered for commercial sale. This includes the creation of custom textbooks for sale, reproduction of bibliographies in other works, or posting of any information on an open Website which would allow downloading AR works into commercial sites or services.

AR retains all copyright and intellectual property rights to the digital and print information provided under this Agreement.

4. Subscriber Obligations

The Subscriber agrees to exercise reasonable precautions, according to common industry practices, to limit access to AR Electronic Back Volume Collection databases to its Authorized Users.
